

If not all of your intended audience can be there in person . . .

PERFORMEDIA ONLINE EVENT EXTENSIONS

let them attend anyway – wherever and whenever they want.

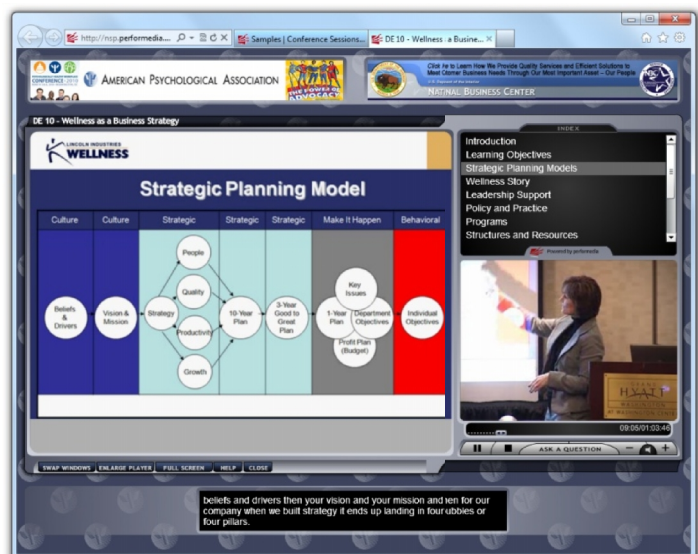

Whether it's a trade show, conference, company meeting, marketing seminar or road show – we all know that not everyone can be there in person. That's where Performedia comes in – literally. We bring everything needed for turnkey service to capture some or all of your event, and make it available online, live or on demand. Our low-cost fly-on-the-wall approach provides the very best

quality streaming video and feature-rich media player, at prices starting lower than \$5000 per event.

WE TAKE CARE OF EVERYTHING – ON SITE AND ONLINE!

Performedia handles everything required to make your event extension a success, from the videography (we can also do audio only, and/or take a feed from your video team), to the streaming, to the content portal which registers and tracks your online attendees – even ecommerce packages that bring in extra revenue for your hard work and content. Plus there are wonderful offerings for sponsors and exhibitors, from online booth demos, to informational seminars, to captioning in a wide choice of languages.

BENEFITS: Increased attendance, revenues, sponsor leads, event visibility
